Dedication

To Floyd Bowen

Teacher, counselor, friend to many who have graduated from Chinook High School in the past two decades,

Whose quiet, unobtrusive presence has been as "oil on troubled waters" on many occasions,

Whose courage and "comeback" in the face of tremendous odds have been an inspiration to all,

We respectfully dedicate this annual of the Class of 1957.

ILLIAM W. PERSONEN, SUPT.

HARRY HARWOOD, CL

SCHOOL DISTRICT No. 10

CHINOOK, MONTANA

May 23, 1957

To the Class of 1957:

For four years you have been identified as the Class of 1957 of the Chinook High School. You have had many tasks and pleasures while working together, but within a few short months your present group identity will be lost when you are absorbed into that large group making up our society.

For many of you these four years will have been the most enjoyable years of your life. You have enjoyed many friendships and experiences and it is our hope that your future holds many more of these. These of course you will have if you apply the fundamentals that have been given to you to use.

Honor Society

The National Senior Honor Society is based on four principles: scholarship, leadership, citizenship and service. Juniors and seniors are chosen every year for this organization by the honor point system. Everything the students have done during their high school careers are taken into consideration. Honor points are given for such things as membership in school organizations, drama points, and grades.

Nancy Clikeman, David Lamey, and Gerald Richards were the members during 1956-57 who worked with their sponsor, Mr. Denny, and kept the Honor Society functioning. They were chosen from their Junior Class. They planned the Honor Society Banquet to welcome and initiate the new members from both the Junior and Senior classes. These three sponsored a very successful dance and worked on their fish pond booth at the School Carnival. Next year's work will be handled by the four new deserving Junior members; Diane Stirland, Pat Johnson, Sue Patchell, and Jim Ingwalson.

The Student Council started off with a bang this year. Their first under-taking was the Homecoming Celebration, a parade, crowning of the king and queen, and a dance, the high lights of a well planned day.

The Student Council was the spear-head of the Birthday Calendar campaign this year. Their picture appeared on the 1957 -58 Calendar.

The Carnival week saw the Student Council members busy with the make-up booth and cane-booth. Also this year the Student Council initiated a new set up for the choosing of the carnival queen. Each class chose a senior girl to represent them in the race. The girls were voted on in the same way as they had been in previous years.

The Student Council, along with the cheerleaders, planned and presented two very rousing pep assemblies. These included Kangaroo Courts and contests between the classes in cheering.

Our school was brightened during the Christmas Season, with the windows decorated by the various classes. The Student Council presented a Christmas Assembly and a movie was shown the last day of school.

The Student Council handbook was sent to the presses. This handbook contains the new constitution, by-laws, and write ups of the organizations.

Latin Club--Two words that mean a barrel of fun. Just ask any Latin Club member. The Carnival saw the Latin Students shining up the old crystal ball again. A skating party was their main activity during the winter, and how they downed the chile afterwards.

The "Sock Hop", and annual affair, looked forward to by all students, was more fun than ever this year. The spring "Roman Banquet" found the kids trying to eat with their hands again, and though everyone was a mess afterwards, they still had a bang up time. The Latin Club wants to say "thanks" to their new sponsor, Miss Hunton; she was always a lot of help and a real good sport.

Paulson DIRECTOR: Mr. Prestbo.

The calendar of the Chinook Band hardly had an open date this year. They worked on their third annual magazine campaign, which was very successful again this year. Their snappy, precision marching at the football games added color and variety.

During the month of October they were making plans for the Carnival. The candy booth was their main project again and to make the young folks happy, cartoons were shown in the basement of the gym.

The Beeters were backed to the hilt, this year, by the Pep Band. The "Crows Nest" has seen some pretty exciting games. The tournament, held at Havre, was attended in full force by the C.H.S. Band.

A joint concert by band and chorus was presented to the P.T.A. in March which was a new undertaking. The Spring concert was presented in March, also.

The District Music Festival at Chester was the cause of many long hours of practice by the band, but all in all it was a lot of fun.

The May Festival was again attended by the bank and it was deemed a success.

Every band member will agree that it has been a happy, busy year. President, Nancy Clikeman; Vice President, Eldon Halingstad; Secretary Treasurer, Diane Stirland; Director, Mr. Prestbo; Librarians, Pat Johnson, Joanne Graham; Custodian, John Ambrose; Student Director, Sue Patchell.

Ann's other officers are: Agnes Williamson, Vice President; Patsy Kathman, Secretary; Elsie Claridge, Treasurer; Bonnie Rae Finch, Parlimentarian; Sharon Mitchell and Joanne Staff, Historians; Karen Upshaw, Song Leader; and Margaret Finley, Reporter. Mrs. Ingwalson is their able sponsor.

One of their money-making campaigns wa selling pop at the basketball games. Those thirsty fans appreciated it too! The F.H.A. girls really showed their talents when they had charge of the food booth at the Carnival. It was sure good!

F.H.A. and the District Convention made October a busy month for the girls, but it was a lot of fun.

High school students are always glad to see sucker day roll around, and it was a great success agin this year, thanks to the F.H.A. girls.

Two of their other projects were to give a food basket to a needy family at Christmas time and to distribute Civil Defense Pamphlets.

To wind up the year, a picnic with the F.F.A. boys was planned and thus ended another year.

The Chinook Chapter of Future Farmers of America started the year off with Mr. Bowen as their advisor, Ronnie Lux, President; Eldon Halingstad, Vice President; Glenn Friede, Treasurer; Terry Matchett, Secretary; Harvey France, Reporter; Gaylord Waiseth, Sentinal. This year, as usual, the chapter decided to be well represented in all F.F.A. doings. They sent judging teams to the District Convention at Harlem, the Divisional Convention at Malta and to the State Convention at Bozeman. They also sent a representative to the National Convention at Kansas City.

Back at home their revolving swine and beef projects were in full swing. There was a rumor last fall that nearly all the hogs at the fair were related to the F.F.A. hogs. Many of the members displayed exhibits at the Harlem Seed Show and at the county fair. The chapter also had a booth at the State Fair at Great Falls. At their meetings they taught parlimentary procedure. They also had several important men speak at these meetings.

The Student Voice was a printed publication this year, with members from all classes on the staff. The paper was published every month except September. Several students contributed to the paper, and their poems and stories were well appreciated. The Student Voice joined the M.I.E.A. in January.

The staff hopes to put out a bigger and better paper next year, and anticipates the cooperation of the entire student body.

The G.A.A. meets on every first and third Wednesday of the month. The group was found to be very active at the football games this year. They sold hot dogs, pop, candy and coffee to the freezing spectators.

Their float in the Homecoming Parade consisted of a huge truck decorated with black and orange crepe paper. Girls with athletic equipment served as decoration and also represented the different sports that are played in the organization.

The G.A.A. sponsored the Kat Game at the carnival and had a party with F.F.A. boys and tried to defeat them at volleyball.

Sadie Hawkins Day, sponsored by the G.A.A. was a big day for not only the G.A.A. but for the whole school. Flying tackles, strategy at dawn, and girls allied with teachers finally doomed the male population of C.H.S.

The G.A.A. gave a party for the F.F.A. and one for the Lettermen.

To end the year a playday at Great Falls was attended by G.A.A. members.

The 1956 football season was a successful one. The Beeters, under the coaching of Karl Fiske, Chester Blaylock, Harry Sell and Robert Teddy, won four and lost four. They finished the season tied for second place with Fort Benton. The Beeters operated out of the split "T" formation and did work a little on the "single wing". The spirit among the players was very good this year. The boys played their hearts out in every game.

Paul Wallner Senior
Halfback, 157 lbs.
"Cherry Lips"

Paul had the other team wondering what was coming off most of the time. He was fast, tricky, and rough. He put his heart into winning and did his share in doing so. Paul will be a heavy loss to the Beeter lineup next year.

Vic Sargent Sophomore
